DAVID GRIFFITHS

DEPUTY CHAIRMAN OF BEESTON HOCKEY CLUB

Beeston Hockey Club has never been in a better place!

After a couple of years of disruption due to the coronavirus, I'm pleased to say that this is our first full year back to normal! Over the summer, we've cemented our position as the club which hosts big events. In July 2022, we hosted the England Hockey Performance Centre Challenge Cup (formerly the Futures Cup at St Albans), which played host to over 1,200 juniors over a period of 5 days. We're incredibly proud that many of these players that took part in the Challenge Cup will be taking part in our Beeston Hockey Club Talent Academy from September.

In August, the club excelled itself on the world stage, hosting the World Masters Hockey World Cups in August. The club hosted 19 countries and 52 teams across the tournament. The World Cups represented the pinnacle of international masters hockey, and we're very proud that our staff and volunteers represented the club is such an exceptional manner.

I'd like to pay tribute to our first team managers, who have dedicated considerable energy into our recruitment over the summer months.

I would also like to extend the warm greetings of our members and partners, Nottingham Hockey Centre, Nottingham Players Hockey Club, the University of Nottingham and Nottingham High School, as well as our Vice-Presidents, sponsors and supporters.

You Bees!

JAMES SORDILLO

BEESTON WOMEN'S FIRST TEAM HEAD COACH

On behalf of all the players and coaching staff, I would like to welcome today's opposition and match officials to Nottingham Hockey Centre. We are privileged to play at such a fantastic facility, and we hope you enjoy your day here.

I would also like to take this opportunity to thank our sponsors and other commercial partners, their support is incredibly valuable and contributes towards everything we do.

The 2021/2022 season seems like a distant memory, but it is important for us to know where we have come from. We saw a huge number of players come in last summer, but the squad came together in such a brilliant way. We had some tough times and but ultimately, we pulled together, and we ended the season with a record 5th place finish and a National Cup win.

It was a fantastic season and for this group of players only the beginning.

The new season presents new opportunities for Beeston ladies 1s. We have several new players, the opportunity for current players to grow and develop and a new league structure to get stuck into.

We have set our targets internally, but we need your help. We know we are just a small part of Beeston Hockey Club, there are hundreds of members, and your support is cherished by the entire squad. When you turn up on a Saturday and cheer the group on it can make all the difference.

For us, the new seasons see's us go into the year with a target on our back. We won games few people outside of Beeston expected us to win, but we know you backed us and we backed ourselves, and the teams who finished in the bottom six will be challenging to reach the top 6. This is where you step in, we will take to the field and do everything we can to win the game for Beeston, but turn up, be loud and be that extra player that we sometimes need to get us over the line. The energy you give us will help us reach new heights this season, we really can't do it without you.

We are not only hoping to build on our success from last season but also our playing style. We want to play a brand of hockey that makes the entire club proud to say that we are your 1st team.

One thing is for sure, it promises to be another exciting Premier Division season and we hope you can come along for the ride, it's going got be fun.

CELEBRATING NOTTINGHAM'S 'MR. HOCKEY' & THE MASTERS HOCKEY WORLD CUP 2022

CASTLE ROCK

A classic golden ale brewed in appreciation of Graham Griffiths – or 'Mr. Hockey' – to mark the Masters Hockey World Cup.

Available now in cask in our pubs and beyond.

STEPHEN WOOD

BEESTON MEN'S FIRST TEAM HEAD COACH

I am really excited to be back as the Head Coach of the Men's 1s this season. A lot of hard work has gone into our recruitment over the summer and we have a fresh squad, which is still pretty young but has a lot of experience within the group. We have kept hold of the core players within our squad, who have been around the club for a number of years and are pleased to be able to support them with some exciting players coming in. Myself, Griff and Blib have made up the management team for many years so we have a great relationship and are confident we can steer this group of players to a higher placed finish than last season. We've also got Gareth Ikin on board as our assistant coach and video analyst. Gareth was the video analyst for the Scotland Women and the Birmingham Commonwealth Games, so his skillset will be invaluable to our team this year. We really hope we can put on a show for our supporters at home games and make Nottingham Hockey Centre the fortress in has been in the past.

ENGLAND HOCKEY LEAGUES

Men's England Hockey League Week 2 2022 Review

Surbiton's second-half power was the difference in their match with East Grinstead on Saturday. Going into the halftime break with a 1-0 lead courtesy of an Alex Williams second minute penalty corner, Mark Pearn's wise words made all the difference as Surbiton upped the tempo in the second half.

Adam Buckle started the onslaught in the 43rd minute before Luke Taylor scored the first of two penalty corners three minutes later. David Goodfield added another to take the score to 4-0. To pile the misery on further, Surbiton scored twice in a minute with Alex Williams (69) and Luke Taylor (69) with his second of the game to wrap things up with a 6-0 victory.

After an opening day draw with Surbiton, Holcombe moved into second place with a 3-1 victory over Hampstead & Westminster. With all goals coming in the second half, Hayden Phillips opened the scoring in the 46th minute before Matt Guise-Brown drew things level with a trademark penalty corner. Tom Russell (60) and Nick Bandurak (63) added late goals for the hosts to secure all three points and take advantage of Old Georgians and Wimbledon being away on Euro Hockey League duty.

The University of Nottingham and Brooklands Manchester University met in the Match of the Week. With both sides going into the match pointless, the University of Nottingham struck first through Louis Tipper (30). Andrew Jackson (53) pulled the game level for Brooklands MU, ensurting a tense final quarter. With time running out, and the match destined to end in a draw, University of Nottingham won a penalty corner. Conor Williamson stepped up and fired home as the final whistle went, sending the University of Nottingham back home with their first victory in the Premier Division.

Rounding off the university sides' action in the Premier Division, the University of Exeter welcomed Oxted to Devon. With the game's only goal, Seb Ansley gave the home side all three points and their first win of the season.

Beeston also benefitted from a late goal as they welcomed Reading to the Nottingham Hockey Centre. Balraj Panesar (35) scored with an open play tap-in five seconds before halftime. Harry Skinner (45) was on target for Reading to bring the scores level before Jamie Golden (61) gave Beeston the lead - and ultimately the victory - with nine minutes to go.

Review: Clifton Robinsons match Surbiton at top of Premier Division

In Week 2 of the Premier Division, we saw high-scoring Hampstead and Westminster travel to Holcombe Park for the season's second match. Going 1-0 down in the sixth minute through a Melanie Wilkinson field goal, Holcombe were determined not to let history repeat itself, having lost every game in the Premier Division at home to Hampstead & Westminster. Holcombe struck back through a Catherine Ledesma penalty corner in the 13th minute to level the scores. Hampstead & Westminster upped the pressure to take a two-goal lead into the halftime break thanks to Lauren Turner (17) and Holly Hunt's (32) open-play goals.

Holcombe came back fighting in the second half with late penalty corner goals from Hattie Jones (44) and Freya Ball (51), ensuring that the points were shared for the first time at Holcombe Park.

Holcombe's opponents from last week, Clifton Robinsons, continued their fine start to the season with a 2-1 win on the road at Reading. Robbies move into second place on goal difference in the league.

Surbiton remain top of the division, following last week's 5-0 victory, with a 3-0 win over near rivals East Grinstead. Sophie Hamilton was on the scoresheet again for Surbiton with a 21st-minute penalty corner to give her side the halftime lead. Hannah Martin doubled the advantage with an open play goal before Darcy Bourne (68) rounded off the scoring giving Surbiton a 3-0 win.

Loughborough Students would be forgiven for thinking a repeat of last week's 5-0 loss was on the cards, as Wimbledon took a 2-0 lead into the first quarter break, thanks to Suzy Petty (5) and Fiona Burnett (14) open play goals. 'Boro regrouped at the first interval and came out fighting, pulling the game level at halftime with Maddie Goodman (24) and Becca Malyon (35) with the goals. 2-2 at halftime was how it would stay for the remainder of the match.

After an opening day draw with the University of Nottingham, Beeston picked up their first win away at Buckingham. The home side took the advantage late in the game with a Joe Ellis Day (51) penalty corner. In a lead that lasted less than a minute, Nadia Benallal (52) levelled the scores from the penalty spot before a late Cerys Miller (69) goal sealed the win and ensured all three points returned to Beeston.

The University of Birmingham produced an excellent second-half comeback after the University of Nottingham led 2-0 through Merle Knobloch (14) and Grace O'Malley Kumar's (34) open-play goals. Hannah Pearce (45) started the comeback with a penalty corner goal, Betsan Thomas (53) equalled the scores before penalty corner goals from Sarah Spooner (62), and Delyth Thomas (68) completed the scoring for a 2-4 victory.
