David GRIFFITHS

DEPUTY CHAIRMAN OF BEESTON HOCKEY CLUB

Warm greetings to all hockey enthusiasts, supporters, and players as we kick off another exciting season at Beeston Hockey Club. With every season comes growth, change, and new opportunities, and this year is no exception.

In our ongoing commitment to sustainability and reducing our carbon footprint, we're proud to announce the installation of energy-efficient LED floodlighting across Pitches 1, 2, and 3. Not only are we illuminating the games you love, but we're doing it in a way that's kinder to our planet. Our dedication doesn't end there; wander behind Pitch 3 and you'll find our newly planted orchard coming on a treat. This initiative is a testament to our dedication to greener and more sustainable futures.

In addition to the new floodlights, we've converted a 40ft shipping container into a new outdoor eco toilet block next to pitch 2.

The summer of 2023 was buzzing with activity as we had the honour of hosting

major events. We proudly showcased the World Masters Hockey European Championships, a follow-up to last year's Masters World Cups. Additionally, the England Hockey Talent Academy Challenge Cup took place here, with Beeston leading the charge as the host club.

Looking forward to further greening our infrastructure, we're elated to announce the approval of a planning application for a

12-space high-powered electric car charging station near our front entrance. We await the nod from Nottingham City Council to bring this project to life.

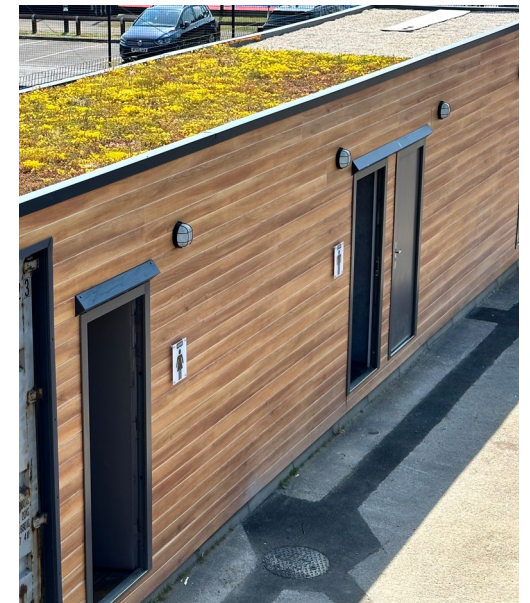

On the pitch, there's much to anticipate. James Sordillo will be at the helm of the Women's 1st team, building on their stellar performance last season. Their top 6 league finish and the securing of their third domestic cup final trophy at Lee Valley are clear indicators of their ambition to make waves in Europe.

“ WE'RE BRIMMING WITH EXCITEMENT AND OPTIMISM AS WE STEP INTO THIS SEASON. WE WISH EACH PLAYER, COACH, AND SUPPORTER A PROMISING SEASON.

The Men's team, too, continues to display tenacity, holding their ground in the Premier Division. We are thrilled to welcome a new addition to the squad - our goalkeeper from New Zealand. With Graham Griffiths as Manager, Stephen Wood as Head Coach, and Gareth Griffiths leading as Captain, we're optimistic about the challenges and triumphs this season will bring.

In conclusion, we're brimming with excitement and optimism as we step into this season. We wish each player, coach, and supporter a promising season. Our gratitude runs deep for our sponsors, partners, supporters, volunteers, and members. Your unwavering support has been instrumental, and without you, our journey thus far would not have been possible.

James SORDILLO

BEESTON WOMEN'S FIRST TEAM HEAD COACH

Firstly, I would like to welcome our opposition, the match officials, and all visitors to today's fixture. We are hoping for a good game and to put on a show for all in attendance!

The Premier Division is seeing the most amount of change it has seen in recent years with several coaching changes, the second year in our new league structure and a changing of guard across the league. It is becoming increasingly dominated with university sides and the south continues to dominate. However along with Bowdon, who we welcome back to the Prem and represent the north, we are proud to represent club hockey above the M4 with them. Excluding University sides, the next most northern home ground is Hampstead and Westminster!

As a team we want to play exciting hockey and compete at

“ WE’RE BRIMMING WITH EXCITEMENT AND OPTIMISM AS WE STEP INTO THIS SEASON. WE WISH EACH PLAYER, COACH, AND SUPPORTER A PROMISING SEASON. ”

the top end of the table, but we know it is a competitive league. With so many new coaches, the return of clubs like Bowdon and Reading and the resources of university sides we know every game is challenge and there are no easy points. We must work hard and put in the work to achieve our goals.

We have a superb group of people in this squad. They are combining demanding jobs, relationships, other hobbies, and life outside of hockey with the physical and mental demands of this league. They do it all with a smile and embrace the challenges in front of them. I am proud to work with such an exceptional group of people, and I hope the rest of club is proud of this group of exceptional people.

We are not only representing our hockey club but also the city of Nottingham, a famous sporting city with sides in the Premier

division of men's football, elite ice hockey, world famous cricket, women's football side in Division one, an elite American Football, and an exceptional sporting university and the Nottingham Tennis Centre and so much more. We are proud to be a part of this group of teams and facilities. We are proud to represent this city.

I believe we have a squad to be proud of and that can achieve something special. However, there is no way we can do this without you. We hear your support, and we feel it. Be loud, get behind us and we will do everything we can succeed for you, the club, and the city.

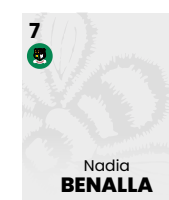

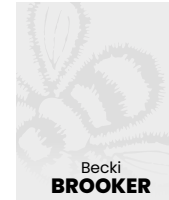

2023-24 PERFORMANCE SQUAD

I am absolutely delighted with the squad we have assembled for season. This is a group stacked full of personality and it promises to be a fun season. We have a real mix of personalities but the one thing they all have in common is the drive and determination for the squad to succeed and that fundamentally they are good people.

Our aim is always to try and have some fun and enjoy each other's company and I firmly believe that we have a group of people who fit this perfectly.

If you get a chance, I encourage you to speak to any of the 1st XI squad and get to know them. Whether it is just to say hi, or if you are a junior or senior player and you want and tips or have questions about playing in the Premier Division they will always be happy to stop and talk. But please don't make them late to any team activity!

We have several new faces joining Beeston this year and I would like welcome **Emily Cartwright, Angela Chillwell, Martha Wong, Lucy Mackey** and **Scarlott Doxey** to the squad. In Angela's case I would like to welcome her to the country as she moves over from Australia! I would also like to welcome Lottie back to the squad who has been living and playing in London last season.

BEESTON WOMEN'S SECOND TEAM HEAD COACH

We would like to welcome today opposition and match official for this Vitality Conference Midlands fixtures at Nottingham Hockey Centre.

I am honoured to be appointed Beeston Ladies second team coach for this season.

After retiring as a player, I wanted to continue to help the club be one of the best in the country. Being apart of the Ladies second team management, we want to help prepare and develop the future of the club to perform in the best league.

The 2022-23 season saw a huge roller-coast for the team, having a difficult start to the season, sitting bottom at Christmas and losing their coach. However, this was turned around very quickly with the appointment of

the new coaches Ben Collinson and Will Prentice (men's first XI players). Their enthusiasm and knowledge of the game brought the group together and finished the season in a respectable 5th.

The new season presents new coaching team and new opportunities for Beeston ladies seconds and I'm personally looking forward to working with the group to push them to their highest finish in the history of the club.

We're not only hoping to build on the success from last season, but, we hope to get the players up to speed, and playing the style of hockey that it takes to win games and gain promotion.

We would also like to take this opportunity to thank our sponsors and other commercial partners, their support is really important for the clubs success and supporting the future of the club.

2023-24 DEVELOPMENT SQUAD

The newly formed Development squad has seen lots of new players join the Beeston family.

We welcome a number of junior talent looking to make their mark on National League, **Annie Croxford, Amelie Clarkson, Ivy Kettlewell** and **Ibby Welldon**.

We also welcome a number of experienced players who have had the changes at both Premier and Internation level. Welcome **Jess Hill, Bella Davies-Roche, Katie Mulroy** and **Ellie Burton**.

BEESTON MEN'S FIRST TEAM HEAD COACH

I am really excited to be back as the Head Coach of the Men's 1s this season. We have kept hold of the core players within our squad, who have been around the club for a number of years and are pleased to be able to support them.

Our squad is made up of local lads this season and I'm really pleased to say that this has fostered a real togetherness and team spirit. The supporters can expect to see a group of players who will never say die and will fight for the badge on the front of the shirt this season.

Myself, Griff and Blib have made up the management team for many years so we have a great relationship and are confident we can steer this group of players to a higher placed finish than last season.

We have also brought Stampy back into the club to Head Coach the 2s and support the 1s this season, so he will add a wealth of experience and is another person on the management team who knows the club through and through.

BEESTON MEN'S SECOND TEAM HEAD COACH

I am delighted to be back involved with the performance end of the club. Over the summer, the club asked if I would take on the role of men's second team coach and I was glad to accept and support this group of talented players.

Beeston was my home throughout my playing career and supported me over the years. I want to give something back to the club and this is my way of doing that.

Working closely with Griff, Woody and Blib, I'm hoping to develop our talented junior players this year in order to feed and support the first team for years to come.

VITALITY WOMEN’S PREMIER DIVISION PREVIEW 2023/24

The England Hockey League 2023/24 Premier Division is back in full swing as the second weekend saw some thrilling matches.

Rod Gilmour from the Hockey Paper provides the review of the first weekend’s fixtures below.

Two first quarter goals left Beeston second on goal difference in the Vitality Women’s Premier Division after topping East Grinstead for the first time at home.

Cerys Miller won the penalty stroke which Hannah Grieve slotted home in the fifth minute of Saturday’s match in Nottingham. Miller then netted 12 minutes later for her third goal in as many regular season matches.

A third quarter goal from Tess Howard wasn’t enough for East Grinstead, the champions now pointless from their opening two games, while Beeston trio Angela Chilwell, Katie Mason and Martha Wong all made their debuts.

“I’m really proud of this group and it’s great to see them having some fun together,” said Beeston coach James Sordillo after the 2-1 win.

“ THEY WORK REALLY HARD AND GET STUCK IN BUT REALLY, THEY’RE A GROUP OF GOOD MATES PLAYING THE SPORT THEY LOVE TOGETHER AND I’M DELIGHTED THEY HAVE BEEN REWARDED WITH ANOTHER POSITIVE RESULT. ”

Reading are the early league leaders following their second win of the season, courtesy of a 2-1 win away at Loughborough Students.

The Students are still without a win over Reading, this latest three pointer accrued by goals in the first and last quarters through Shona McCallin and Lucy Daman respectively. Beth Alexander had levelled for the Students.

Surbiton got their season off and running with a 6-1 victory over Isca & University of Exeter.

The returning England internationals played a key hand with Hannah Martin (playing her first match as Hannah French after her recent marriage) scoring a brace and Sophie Hamilton and Izzy Petter netting in the second-half.

Former GB internationals Leah Wilkinson and Sarah Evans had also scored in the opening 20 minutes. As did Victoria McCabe, who bagged Isca’s first ever Premier Division goal.

Clifton Robinsons remain unbeaten following a 2-2 draw with Wimbledon, as both teams left with one point for the first time in Bristol.

Evie Grindal had given Robbies the lead before Becky Manton and Olivia Chilton put the visitors ahead. Sarah Jayne Thorburn secured a point four minutes from time for Clifton.

Meanwhile, Hampstead & Westminster moved to third on goal difference after a comfortable 4-1 win against University of Nottingham.

Bowdon are also on four points after a 2-2 draw with University of Birmingham kept their unbeaten start to the season intact. Lily Sokhi scored two first-half goals for the visitors, cancelled out by Bowdon’s two penalty corner goals through Aine Curran Rosie Threadgold.

Stat Attack:

Sarah Evans and Hannah French are the first players to score penalty strokes for the same team in the same match since Jade Mayne and Mel Clewlow both scored from the spot for Canterbury in a 6-2 win over Olton & West Warwicks in March 2013.

MEN’S PREMIER DIVISION PREVIEW 2023/24

The England Hockey League 2023/24 Premier Division is back in full swing as the second weekend saw some thrilling matches.

Rod Gilmour from the Hockey Paper provides the review of the first weekend’s fixtures below.

Holcombe and Wimbledon are joint top of the Men’s Premier Division after impressive away wins on Saturday, while Old Georgians lost their first top flight game since April 2022.

Nick Bandurak scored a second-half brace after twice being set up by Phil Roper – the second coming from a brilliant reverse cross and deflected goal – and now has scored in his last three

regular season Premier Division games as Holcombe won 5–2 at Southgate.

Holcombe led 3-1 inside 20 minutes through Thomas Russell, Phil Roper and Sam Taylor; Richard Lum having cancelled out Russell’s opener for the visitors. Archie Foster netted on the final whistle via a penalty corner.

Holcombe will play Old Georgians at home on Thursday night, with entry free under the lights. The Surrey side will be looking to overturn a 3–2 defeat to Surbiton as Mark Pearn’s side toppled the league champions for the first time in nearly four years.

Pearn said

“ IT WAS GREAT FOR US TO GET OVER THE LINE AFTER WHAT’S BEEN TOO LONG. WE FELT WE WERE A LOT CLOSER TO OLD GEORGIANS LAST YEAR BUT JUST COULDN’T CLOSE THAT GAP.

Surbiton took a 3–0 lead through penalty corner specialists Luke Taylor and Gareth Furlong, with Struan Walker scoring in the 38th minute and having a late goal disallowed.

Surbiton had lost Adam Buckle in the warm-up and then Taylor was forced to go off after his opening goal, both having picked up muscle injuries and the visitors forced to cope with a high-pressing Old Georgians.

The hosts then rallied in the

second half as James Albery (47) and James Cunningham (60) netted to set up a thrilling finish.

Pearn added: “We struggled a bit towards the end of the second-half to keep our shape. They had nothing to lose and got those two late goals to make it a bit more nervy than maybe the game deserved, but obviously for us we showed a bit of fight to dog it out.”

Meanwhile, Hampstead & Westminster raced through the gears to beat University of Nottingham 5–0.

Matt Guise-Brown’s 24th minute penalty corner was the difference in the first half before the Londoners netted four in 14 minutes. Guise-Brown added a second while American Kei Kaeppler bagged a quick-fire hat-trick.

East Grinstead were left to rue two final quarter yellow cards as Beeston scored two late goals to deny the West Sussex side.

Brendan Andrews and a Henry Croft double had given the hosts a 3-1 lead – Simon Faulker scoring a minute before Croft’s second – before Archie Phillips and Simon Knight carved out a 3–2 lead for East Grinstead.

But Phillips and Ross Stott were given yellow cards in the 59th and 63rd minutes, paving the way for Toby Stanley (62) and Gareth Griffiths (65) to seal the points.

Wimbledon’s early season form continued in style with a 4–0 win at Oxted, while Cardiff & Met won their first Premier Division match after a 3–2 win over Reading.

Stat Attack:

With Cardiff & Met leading three times in their 3–2 victory, Reading haven’t led their opposition in a match since December 2022 when they took a 2–0 lead over Hampstead & Westminster after 14 minutes, before losing 4–3 at home.

MEN'S HOCKEY LEAGUE 2023/24 WEEKEND 1 REVIEW

Bowdon were top scorers in Division One North beating Birmingham University 5-3. Two Rory Penrose corners helped Loughborough Students to a 4-0 win over Cambridge City.

Old Cranleigh got off to a great start in Division One South with a 6-2 defeat of Brighton including a hat-trick for Jack Jamieson and two for
